

CLEANING UP

These bits and pieces of trash need to be tidied up. See how many you can find and then decide whether each one goes in organic compost, to e-waste recycling, glass or paper recycling bin.

ANSWERS

STINKY STUFF P. 16

We made up the idea of firing garbage out of a cannon. All of the others are real ways of dealing with trash.

CLEANING UP P. 32

Each community has different rules for recycling, so your answer might be a bit different!
