

Immigrant Groups in Canada

Immigrant Group/Ethnicity: _____

Group Members: _____

Research your topic and fill-in the following chart:

<p>When did the group come to Canada? Approximate numbers?</p> <p>Why did they attempt the journey? What were the "push" / "pull" factors?</p>	
<p>What difficulties or successes did they experience? What may have been their historical perspective?</p> <p>How were these ethnic groups treated? Is there an ethical dimension to this group's immigration experience?</p>	

Create a political cartoon for your immigrant group. The cartoon should include the following aspects to explain the historical event:

1. **Time:** include a date or time reference.
2. **Setting:** a location, building, scene or images.
3. **Characters/Caricatures:** real or fictitious individuals.
4. **Script:** words, phrases or titles that provide specific information.
5. **Title:** a brief phrase or sentence that summarizes your point/purpose.

Be prepared to share your political cartoon with the class and explain the circumstances of your group's topic.
